

# The Esther Hofschulte, OSF Memorial Lecture Series Honoring Sr. Esther and her Passion for Justice

**"Health Care for Americans:  
Too Little for Too Few  
Is there a solution in sight?"**

**Stephanie Sue Stein**

Director, Milwaukee County Department on Aging

Debate abounds about the future of Medicare, the Affordable Care Act, and sustaining Medicaid.

Meanwhile, Health Care in America is unaffordable, inaccessible, and not universal.

What are the questions we need to ask and who has the answers?
