AMINISTRY OF

Sisters of  
St. Francis  
of Assisi

# *Are you looking for a quiet place apart . . . to pause . . . to reflect . . . to rest . . .*

*Rieti Hermitage is named after the Rieti Valley in Assisi, Italy, a place sacred to St. Francis. The Hermitage faces a wooded valley beside a grape arbor, next to the Motherhouse, and within walking distance of Lake Michigan.*

*Rieti Hermitage, a studio-cottage, is a secure building with a screened porch, electricity, heat, water and is wheelchair accessible. Meals are not provided. There is a fully-equipped kitchen.*

*Eucharistic Liturgy is celebrated daily at the Motherhouse or nearby Seminary. The Convent library is available 7:30am-9pm.*

*Spiritual pilgrims wanting to stay in a hermitage need to be able to accommodate themselves in the alone-ness and quiet which this type of retreat offers.*

*Our intent is to continue the Franciscan tradition of providing a sacred space for women, men, or couples seeking a place for solitude and prayer.*
